7Brew Coffee

As we shared here in November, a drive-thru coffee shop is proposed across the parking lot from the Publix on Five Forks Trickum Road. In our survey in January, you said:

- 45% build with a park/greenspace
- 38% deny the application
- 12% build it as a drive thru only

The application has been tabled until the Mar 5th Planning meeting.

Round-A-Bout Sign

You said "Yes!" in our survey for a community welcome sign **at this location**. And, we heard your good comments about keeping it simple and not obstructing view of traffic. Watch this space for design ideas (survey) and a fundraising drive to make it happen. Some volunteer effort will also be needed. Stay tuned!!
