Build it and they will come? - A couple of the commercial nodes in the Mountain Park Community are seeing a lot of new construction, mostly at the Killian Hill node. MPCA reaches out to most developers to welcome them and provide feedback. We do get a wide range of responses. Everything from no answer, to enthusiastic cooperation, to outright anger for even trying to talk with them. Let us (MPCA) know what think about how we and our community should advocate for the future of our 3 commercial nodes going forward. **Send us an email.** Also, as you visit these new businesses, please let them know how they are doing as community partners and local businesses. And, encourage their involvement in local schools, activities and events.

Join MPCA Leadership or Committees - Or just come and participate! Make your community a better place to live. Send us an email and join our monthly Core Team meetings. These are open to the public. Usually on the 3rd Thursdays, 630pm. **Next meeting is Jan. 25th, 630pm** at the Country Inn & Suites, 1852 Rockbridge Rd SW, Stone Mountain, GA 30087
